

Application for Market Stall

MoMa is

A market held on the roof of MONA every Saturday afternoon, 12.30pm – 5.00pm, from January 21 – April 14. MoMa is a produce-based market, incorporating growers & suppliers from the Derwent Valley, greater Hobart area and beyond. MoMa is the meeting of food and art, incorporating elements of the unexpected. We believe in locally grown, organic, sustainable produce (but we do love posh, smelly, French cheese too). We bring together the best well known and hidden gem producers, fresh produce to take home, awesome food to eat on site, workshops, art installations, opportunities to be a good environmentalist and anything else we find inspiring.
